

Chelmsford Forum - Entry Traffic Flow

 Entry Into Facility and Onto Ice

 Designated Changing Area

When entering the facility:
We strongly recommend players show up dressed to the rink when possible.

Practice - Teams need to divide up between all 4 locker rooms.

Games - Home teams stay to the left, using the locker rooms behind the Home bench. Visting team go to the right, using the locker rooms behind the Visitors bench.

When teams are finished getting dressed, they are to bring their equipment out to the designated changing areas before going on to the ice.
